

CLINICAL AND POST-DOCTORAL TRAINING:

- 1989-1991 Psychology Intern, Child Psychiatry Service, Department of Psychiatry, Massachusetts General Hospital/Harvard Medical School--APA approved
- 1990-1991 Post-doctoral Fellow in Neuroscience, Department of Psychiatry, Massachusetts General Hospital/McLean Hospital/Harvard Medical School
- 1991 NIMH Training Fellowship, Department of Neurobiology, Harvard University
- 1989-1990 School Psychology Intern, Jasper County Schools, Monticello, GA
- 1988-1989 Neuropsychology Intern, Center for Clinical and Developmental Neuropsychology, University of Georgia
- 1988 Electrophysiological Fellowship, University of Jyväskylä, Finland

LICENSURE AND CERTIFICATION:

- 2006 Licensure, State of Michigan (6301013249)
- 1998-2006 Licensure, State of TX (3-0889)
- 1976 Lifetime Certification, Senior Level School Psychologist, State of Wisconsin

OTHER PROFESSIONAL POSITIONS:

- 1988-1989 Associate Director, Center for Clinical and Developmental Neuropsychology, University of Georgia, Athens, GA
- 1975-1986 School Psychologist III, Mequon-Thiensville Public Schools, Mequon, WI
- 1974-1975 School Psychologist II, Portage Public Schools, Portage, WI

AWARDS AND HONORS:

- 2002 Elected Fellow, National Academy of Neuropsychology
- 2001 Elected to the Society for the Study of School Psychology
- 1999 Early Career Award, National Academy of Neuropsychology
- 1999- Guest reviewer for NINDS/NIH
- 1998 Research Internship Award, University of Texas
- 1995- Guest reviewer for NIH

1993 Royalty Research Award, University of Washington
1992 Graduate Research Award, University of Washington
1991 Outstanding Dissertation Award, Orton Dyslexia Society
1989-1990 Outstanding Doctoral Student in School Psychology in the state of Georgia
1987-1989 Merit Scholarship, University of Georgia
1986-1989 University Wide Fellowship, University of Georgia
1986-1987 Myrtle Baker Scholarship, Women's Clubs of Wisconsin

PROFESSIONAL SOCIETIES:

1997- National Academy of Neuropsychologists
1986- American Psychological Association
1986- Division 40 Neuropsychology of APA
1986- International Neuropsychology Society

MAJOR CLINICAL AND RESEARCH INTERESTS:

1. Neuroimaging in neurodevelopmental disorders
2. Attention deficit hyperactivity disorder
3. Epilepsy
4. Psychosocial effects of psychological and neuropsychological disorders
5. Interactions in families with children with disabilities

REVIEWER

2004- Journal of Attention Disorders
1994- Journal of Learning Disabilities
1998- School Psychology Quarterly

GUEST REVIEWER

2008- Biological Psychiatry
2008- Archives of General Psychiatry
2006- Journal of Abnormal Child Psychology
2006- Child and Adolescent Mental Health
2003- Journal of Abnormal Psychology
2003- Human Brain Imaging

2003- Journal of Mental and Nervous Disorders
2003- Journal of the International Neuropsychology Society
2001- Journal of the American Academy of Child and Adolescent
Psychiatry
2001- Journal of Clinical and Consulting Psychology
2000- Pediatric Neurology
2000- Journal of Abnormal Child Psychology
2000 Journal of Pediatrics
1997- Trends in Neuroscience
1996- Developmental Neuropsychology
1996 NIH Grant Review
1996 Neuropaediatrics
1993 Psychoeducational Assessment

INSTRUCTIONAL EXPERIENCE

Biological Bases of Behavior
Neuropsychological Assessment and Interventions
Advanced Projective Assessment
Consultation
Ethics and Law
Counseling Practicum
Group Counseling and Social Skills Training
Internship Supervision
Behavioral and Social Interventions
Personality and Behavior
Psychoeducational Assessment
Diagnosis and Intervention Practica
Foundations of Educational Psychology (undergraduate class)
Social and cognitive development through the life span

SERVICE

2007- Member of the Professional Advisory Board for CHADD
2007- Member of the Admissions Committee
2006- Director of the Center for Neurodevelopmental Study
2006- Member of the Clinical Interest Group

- 2006- Member of Assistant Professor Review
- 2006- Chair of the Colloquium Committee
- 2004- Member of the Task Force for APA for Teaching Excellence
- 2004-2006 Member of Imaging Center Committee--UT
- 2002-2005 Program Director of School Psychology Program
- 2001- Award Committee for the Society for the Study of School Psychology
- 2001- MRI committee for University of Texas
- 2001- Ford Foundation for Minority Scholarships
- 2000- Ad Hoc reviewer for NIH
- 2000 Vice President of Graduate Studies Committee
- 1998- Recruitment committee for Department of Educational Psychology--University of Texas
- 1998- LSSP Committee--University of Texas
- 1997- School Psychology committees--Admissions, Vision, Curriculum: University of Texas
- 1997- Teacher Education Committee--University of Texas
- 1995-1997 Work with the Fetal Alcohol Project--Leech Lake Reservation, Cass Lake, MN
- 1995-1997 Commission on Women at the University of Minnesota
- 1994-1995 Faculty Council-University of Washington
- 1992-1995 Executive Chair of Professional Education Advisory Board for the combined programs of school counseling and school psychology at the University of Washington
- 1991-1992 Committee on Teacher Education-University of Washington

INVITED WORKSHOPS

Semrud-Clikeman, M. (April, 2008). Neuropsychology of Neurological Disorders: Assessment and Interventions. Workshop to be presented at the Fort Bend ISD, Sugarland, TX

Semrud-Clikeman, M. (November, 2007). Executive Functions in ADHD. Workshop presented at the annual meeting of CHADD, Washington, D.C.

- Semrud-Clikeman, M. (February, 2007). Social processing in children with autistic spectrum disorders. Workshop presented at the Illinois School Psychology Association meeting, Springfield, IL.
- Semrud-Clikeman, M. (October, 2006). Social Intervention for children with social disabilities. Workshop presented at the annual meeting of CHADD, Chicago, IL.
- Semrud-Clikeman, M. (March, 2006). ADHD, neuroimaging, and interventions. Workshop presented at Stanford University.
- Semrud-Clikeman, M. (January, 2006). Children and adolescents with traumatic brain injury. Workshop presented at the annual meeting of the NY Neuropsychological Society, Las Vegas, NV.
- Semrud-Clikeman, M. (February, 2006). Traumatic brain injury. Workshop presented at the meeting of the Illinois State School Psychology Association, Pheasant Hill, IL.
- Semrud-Clikeman, M. (February, 2006). Social competence and autistic spectrum disorders. Workshop presented at the meeting of the Illinois State School Psychology Association, Pheasant Hill, IL.
- Semrud-Clikeman, M. (April, 2005). Nonverbal Learning Disabilities. Workshop presented at the meeting of the California Speech and Hearing Association, San Jose, CA.
- Semrud-Clikeman, M. (March, 2005). Social Competence Intervention Strategies. Workshop presented at the annual meeting of the Nonverbal Learning Disabilities Association in San Jose, CA.
- Semrud-Clikeman, M. (March, 2005). Traumatic brain injury and the school psychologist. Workshop presented at the annual conference of the National Association of School Psychologists, Atlanta, GA.
- Semrud-Clikeman, M. (November, 2004). Consultation with schools for neuropsychologists. Workshop presented at the annual conference of the National Academy of Neuropsychology.

- Semrud-Clikeman, M. (August, 2004). Pediatric Psychopharmacology in the Schools: Neuroimaging. Presented at the annual conference of the American Psychological Association, Honolulu, HI.
- Semrud-Clikeman, M. (March, 2004). Traumatic Brain Injury: Recommendations for school re-entrance. Workshop presented at the National School Psychology Association conference, Dallas, TX.
- Semrud-Clikeman, M. (October, 2003). Brain research and the school. Workshop to be presented at St. Stephens Episcopal School, Austin, TX.
- Semrud-Clikeman, M. (October, 2003). Traumatic Brain Injury: Assessment, intervention, and case studies. Workshop presented at the National Academy of Neuropsychology conference, Dallas, TX.
- Semrud-Clikeman, M. (May, 2002). ADHD and social competence. Workshop presented to CHADD, Austin, TX.
- Semrud-Clikeman, M. (February 2001). Traumatic Brain Injury. Workshop presented to the Eanes Independent School District.
- Semrud-Clikeman, M. (February, 2000). Nonverbal learning disabilities. Workshop presented to the Eanes Independent School District.
- Semrud-Clikeman, M. (July, 1999). Intelligence of children with 18q- Syndrome. Workshop presented to the 18q- Registry, Washington, D.C.
- Semrud-Clikeman, M., & Marshall, R. (May, 1998). Nonverbal learning disabilities. Workshop presented to Austin Independent School District.
- Semrud-Clikeman, M. (October, 1997). The Neuropsychology of Attention Deficit Hyperactivity Disorder. Workshop presented to the University of Alberta, Edmonton, Alberta, Canada.
- Semrud-Clikeman, M. (November, 1997). Neuropsychology for School Psychologists. Workshop presented to Orange County School Psychologists, Detroit, MI.

Semrud-Clikeman, M. (October 1996). Neuropsychology for use of mental health workers. Workshop presented to the Kandiyohi Consortium of Mental Health Workers.

Semrud-Clikeman, M. (February 1995). Traumatic brain injury and the school psychologists. Workshop presented for the Seattle Public School District school psychologists.

Semrud-Clikeman, M. (January 1995). Advances in neuropsychology. Workshop presented for Vancouver, WA area school psychologists, Vancouver, WA.

Semrud-Clikeman, M. (October 1994). Neuropsychology of ADHD and learning disorders. Workshop presented for the Washington State Association of School Psychologists, Wenatchee, WA.

Semrud-Clikeman, M. (April 1994). Advanced neuropsychology for school psychologists. Workshop presented for the King County School Psychologists.

Semrud-Clikeman, M. (January 1994). Neuropsychology for School Psychologists. Workshop presented for the Pierce County school psychologists.

Provenzano, F., & Semrud-Clikeman, M. (October 1992). Everything you wanted to know about consultation in the schools. Workshop presented at the Semi-annual conference of the Washington School Psychologist Association.

INVITED LECTURES:

2008 Invited lecture: Imaging in ADHD and ASD. Paper presented at the annual meeting of the Michigan Psychiatric Society, Dearborn, MI.

2008 Invited Lecture: Imaging in Autistic Spectrum Disorders. Paper presented at the annual meeting of the Autism Awareness Association, Michigan State University, East Lansing, MI.

- 2007 Invited Lecture: Neuropsychology: Training and Education Issues. Paper presented at National Taiwan University, Taipei, Taiwan.
- 2007 Invited Lecture: Neuropsychology of ADHD and Autism. Paper presented at the National Taiwan University, Taipei, Taiwan.
- 2007 Invited Lecture: The neuropsychology of 18q-. Paper presented at the University of Texas Health Science Center, San Antonio, TX.
- 2007 Invited Lecture: Autism and Neuroimaging. CRANE association of mid-Michigan, Holt, MI
- 2007 Invited Lecture. Neuroimaging in Clinical Practice. Grand Rounds presented at the University of Minnesota Medical School, Minneapolis, MN.
- 2007 Invited Lecture: Neuroimaging and Neuropsychology. Grand Rounds presented at Detroit Children's Hospital, Detroit, MI.
- 2007 Invited Lecture: Neuroimaging in ADHD. Workshop presented at the Neuroscience Institute, University of Tennessee in Memphis
- 2001 Invited lecture: Social competence strategies. Free University-Pedagogical Institut, Amsterdam, the Netherlands
- 2000 Invited Lecturer: ADHD: Nonpharmacological approaches. Children's Hospital of Austin
Invited lecturer: Traumatic Brain Injury. Eanes Independent School District, Austin, TX
- 1998 Invited Lecturer: ADHD: What we know from brain imaging studies. Austin Neuropsychological Group, Austin, TX.
Invited Lecture: "Fetal Alcohol Syndrome." Foster Parents of Travis County, Austin, TX.

- 1997 Invited Lecture: "Imaging in ADHD." CHADD, San Antonio, TX
- 1996 Keynote Speaker: "Dyslexia and ADHD: Interventions and Current Knowledge." Minnesota Professional Private Practitioners Association, St. Paul, MN
- 1995 Invited Lecturer: "Interventions for Children with Behavioral Disorders." Mercer Island Public Schools, Mercer Island, WA.
- 1995 Invited Lecturer: "Attention Deficit Hyperactivity Disorders in the Schools." Danforth Program at the University of Washington
- 1994 Keynote Speaker: "Brain Morphology in Neurodevelopmental Disorders," Professor Emeritus Luncheon, University of Washington
- 1992 Keynote Speaker: "The Emotional Brain." New York Academy of Sciences, New York City.
- 1993 Invited Lecturer: "Dyslexia." Reading Specialists, Northshore Public Schools, Bothell, WA.
- 1992 Invited Lecturer: "Putting Research into Practice in Dyslexia and Attention Deficit Disorder." Puget Sound Educational Consortium.
- Invited Lecturer: "Dyslexia and ADD: Recent advances in our knowledge." Washington Council for Learning Disabilities
- Invited Lecturer: "The Possible Etiology of Dyslexia and Attention Deficit Disorders." Slingerland Parent Group of Shoreline, Washington.
- Invited Lecturer: Keynote Speaker for the Slingerland Award Dinner of the Washington Orton Society.
- Invited Lecturer: Invited Speaker for the Learning Disabilities Association of Washington Annual Conference.

- 1991 Lecturer: "Dyslexia: Treatment and Remediation." Parents and teachers, Landmark School, Marblehead, MA.
- Invited Lecturer: "Attention Deficit Disorders and Dyslexia: The Application of Recent Findings for Interventions and Early Identification." Rutgers University, New Brunswick, NJ.
- Invited Lecturer: "Brain Morphology Differences in Dyslexic Children." Grand Rounds, University of Tennessee Medical School, Memphis, TN.
- Invited lecturer: "Dyslexia: What it is and how it can be identified by the Pediatrician." Children's Hospital, Boston, MA.
- 1990 Seminar Leader, Human Nervous Systems and Behavior, Harvard Medical School.
- 1989 Lecturer: "Social Skill Deficits in Children with Learning Disabilities: Diagnosis and Treatment." Association for children with learning disabilities, Athens, GA.
- 1987 Lecturer: "Assessment of Children and Families in America." Faculty the University of Jyvaskyla, Finland.
- Lecturer: "Assessment of Preschool Children, Children with Learning Disabilities, and Attention Deficit Disordered Children." Mental Health Clinic staff, Jyvaskyla, Finland.

GRANTS IN PREPARATION AND SUBMITTED

NSF Reese Project. REESE: The neural underpinnings of mathematical talent.

Grant submitted to NSF 1/8/08, \$888,634.00

NIMH. Neuroimaging of emotional recognition in children with autistic spectrum disorders. Grant being written for resubmission to NINDS 06/01/08.

NIMH. Neuroimaging of response inhibition, medication response, gender, and ethnicity in children with ADHD. Grant being written for submission to NICHD 06/01/08

GRANTS FUNDED

Broitman Foundation: Research in nonverbal learning disabilities. Funded 8/07, \$269,000.00

NIMH. ADHD and Response Inhibition. Funded 5/02, \$125, 539.00 (my portion).

University of Texas (1999). Internship Research Grant, \$15,500.

William T. Grant Foundation (1992). A Multidisciplinary Approach to the Cause, Assessment, and Treatment of Attention Deficit Disorders. Finalist.

Royalty Fund, University of Washington (1993). An Investigation in the Etiology, Diagnosis, and Treatment of Attention Deficit Hyperactivity Disorder. Funded at \$23,000.

CHAired DISSERTATIONS

YEAR	STUDENT	DISSERTATION	CURRENT STATUS
1989	Amy Summers	"A qualitative analysis of school psychology practice"	Private Practice Seattle, WA
1997	Kenneth Smith	"Experiences of Obese Adolescents: A Retrospective Qualitative Study"	School Psychologist Long Island, NY
2000	James McVey	"Psychosomatic illness in children: Their perceptions of family and of physical pain"	School Psychologist Lake Travis, TX
2000	Jennifer Murphy	"The role of the amygdalar circuit in adolescent antisocial behavior"	Post-doctoral fellow UCSF
2001	Amanda Gregory	"Orbitofrontal cortex dysfunction in adolescent psychopathy"	Post-doctoral fellow UCSF
2002	Elizabeth Palacios	"Delinquency, hyperactivity"	Assistant professor

		and phonological awareness: A comparison of ODD and ADHD”	Baylor University
2002	Barbara Sparrow	“Coping resources and the development of persistent postconcussional syndrome after a mild TBI	Private practice
2002	Rebecca Martinez	“A comparison of learning disability subtypes in middle school: Self-concept, perceived social support, and emotional functioning”	Assistant Professor Indiana University
2002	Rachel Robillard	“Anxiety sensitivity index correlation to positron emission tomography scans of individuals coping with an anxiety producing situation”	Post-doctoral fellow
2002	Vickie Schafer	“Neuropsychological functioning in subgroups of children with social competence deficits”	School Psychologist Austin Schools
2002	Mary Kay Corlett	“Visual perceptual processing errors in children with nonverbal learning disabilities”	Post-doc student Univ. of MN Medical School
		* winner of the Fruchter Award for best dissertation in Educational Psychology in 2003	
2003	Kathryn Guy Birch	“Learning disabilities and slow learners: More similar than different.”	School Psychologist Austin Schools

2003 Kimberly Glass	"Comprehension of humor in children with NVLD"	private practice
2003 Elizabeth Palacios	"Delinquency, hyperactivity and phonological awareness: A comparison of ODD and ADHD"	Assistant Professor Baylor University
2004 Louise O'Donnell	"Cognitive and memory performance patterns associated with ADHD subtypes"	Director Psychological Corporation
2004 Jennifer Hargrave	"Executive functions and writing"	Director NIMH grant UT
2004 Laura Guli	"A social competence intervention program for children with NVLD"	School Psychologist
2005 Sarah Schnoebelen	"Functional Significance of corpus callosum anatomy"	Post doc-UT Dallas
2004 Jodene Fine	"Dyslexia and neuroimaging"	Internship
2005 Andrea Hester	"Neuroimaging in 18q-"	Post doc UT-Dallas
2006 Susannah More	"Analysis of the caudate nucleus and attention in children with 18q- treated with growth hormone"	Post doc University of Michigan
2006 Casey O'Neal	"Social and self-perception in children with NVLD"	Post-doc-in private practice
2006 Allison Wilkinson	"Motor Speed and NVLD"	Post-doc University of MN Dept. of Neurology

2006	Kellie Higgins	"Electrophysiology and LD"	Post-doc private Practice
2006	Kim Davis	"Parenting Stress and Family Cohension in 18q -, Down's Syndrome and Controls	Internship Ohio State University
